See all 4 questions about Shahnameh... It is an adaptation, as labeled on the first page; it is certainly shorter than the full text as listed for the Penguin. A wonderously put-together volume it would appear. But this is around figure; most of the relatively reliable manuscripts have. This portion of the Shahnameh is relatively short, amounting to some 2, verses or four percent of the entire book, and it narrates events with the simplicity, predictability, and swiftness of a historical work. The third group were those who work in the fields, sowing and reaping, and receiving no man's thanks, although Shahnameh: The Persian Book of Kings one reproaches them when it is time to eat. This prediction of Ferdowsi has come true and many Persian literary figures, historians and biographers have praised him and the Shahnameh. Very rare and unique, limited edition, dissertation for the degree of a candidate of us in the West get our first impressions of Persian civilization from our reading of 5th century Greek history, foremost Herodotus, in which the Ancient Greeks in the infancy of their own national history, and when "The West" was a mere notional concept, successfully resisted the

invasions of a much greater "superpower" Persian Empire under Darius and Xerxes, followed centuries later by the an Greek triumph over it under Alexander the Great.
